VICTORIA RESOURCES SOCIETY

## **Part-time Harm Reduction Support Worker**

Peers Victoria is a multi-service grassroots agency that has been working with and for Victoria sex workers for close to 25 years. Through direct services delivery and partnerships, Peers provides an array of outreach, harm reduction, and wellness support services. We maintain an environment that welcomes our community with respect and positive regard.

Reporting to the Executive Director and working in collaboration with the regular Harm Reduction and Health Support Worker, the part-time support worker delivers harm reduction and health education support to populations who experience barriers accessing these services in traditional office environments. This program is funded by the public health agency of Canada and guided by the following objectives: 1: Strengthen the knowledge of risk factors associated with HIV and hepatitis C among people in the sex industry who share drug-use equipment; and 2.) Strengthen the skills, competencies, and abilities of people in/from the sex industry who use substances and share drug-use equipment to prevent HIV and Hepatitis C infections. The program includes one-to-one work and group education with people in the sex industry of diverse genders and sexualities.

The health support worker will work a combination of daytime shifts (Tues, Wed, Thurs approx. 11-4/4:30 and one (optional) evening (night outreach Mondays approx. 7-11) and), equaling 16 hours a week (without evening night outreach shift) or 20 hours a week (with night outreach shift). The details of the schedule will be determined upon hiring based on incumbent availability and program needs.

### **Specific duties for this position include:**

#### **Day Shifts:**

1. Connect with clients (in/from sex industry) in the community affected by communicable disease/at elevated risk of contracting STI's/BBD to assess and support opportunities and barriers to health care;
2. Provide harm reduction supplies, naloxone training and kits, as well as testing and treatment options to clients;
3. Partner with street and HIV/HCV nurses to conduct outreach activities at mutually agreeable times;
4. Collaborate with members of the Peers service team and executive director regarding caseload and triage;
5. Assist members of target service population to access health care supports (including, but not limited to, helping to arrange appointments, providing bus tickets, and accompaniment as appropriate);
6. Liaise closely with service staff in related health care organizations such as Island Health, Cool Aid Clinic, HepCBC, AIDS Vancouver Island, Vancouver Island PLWAS to ensure up to date knowledge of local service continuum, optimal client referral processes, and co-delivery of supports;
7. Organize monthly group health information and testing education including booking guest speakers, ordering food and managing honorariums and advertising;
8. Participate in relevant health education and research in the community in which Peers Victoria is a partner or leader and share knowledge regarding disease prevention and treatment within Peers service environment;

9. Maintenance of all documentation necessary to report on the outputs, outcomes and effectiveness of this work (this includes but is not limited to such things as case notes, number of persons served (one to one and at group sessions), number of HIV and HCV testing and treatment completions, harm reduction and naloxone supplies distributed as well as financial transactions).

### **Night Shifts:**

\*all duties required of night outreach staff, including:

- Deliver client-centred support services including harm reduction and safer sex supplies, health and social service information and referrals, and food, through the RV;
- Identify potential new participants for daytime health supports;
- Routine visits to downtown service agencies frequented by sex workers (Sandy Merriman, AIDS Vancouver Island, etc.) when working with Night Outreach;
- Collaborate with the VicPD Special Victims Unit and other service agencies to compile and distribute information regarding violent incidents and offenders as it pertains to the safety of local sex workers;
- Document basic statistics regarding Night Outreach service delivery;
- Participate in food preparation as needed;
- Maintain the general cleanliness and organization of the outreach office and kitchen areas, and outreach RV.

### **Skills/Qualities:**

- Knowledgeable about current evidence regarding HIV and HCV transmission, prevention and treatment. Ability to apply this knowledge as it applies to diverse population of persons in/from the sex industry and intersections of race, gender and sexuality, violence, housing, and other relevant factors;
- Knowledge of a variety of local health services including hospital and community-based services for a range of health needs including, but not limited to, mental health, substance use, and communicable disease;
- Understanding of trauma and disability informed care;
- Approachable, tolerant, non-judgmental, empathic, and calm in conflict or crisis;
- Thorough knowledge of safer sex and substance use harm reduction models;
- Knowledge of local social services including housing, income and food security supports;
- Strong interpersonal skills and collaborative, team oriented, ethical service approach;
- Excellent organizational and time-management skills;
- Commitment to applying social justice principles to health and social care;
- Combination of personal experience in the sex industry and/or experience of having a communicable disease such as HIV/HCV and relevant education/work experience;
- Knowledge of diversity of local sex industry and ability to connect with target population;
- A degree in health or social service provision or equivalent experience in service delivery (4+ years) is required.

### **Job details:**

- 16 or 20 hours per week between the hours of 11 to 4/430pm pm Tues, Wed & Thurs and one optional night outreach shift on Monday nights from 7 to 11 pm.
