VICTORIA RESOURCES SOCIETY

Trans, Non-Binary, and Two-Spirit Inclusion & Outreach Worker
1 p/t position: 13.5 hours a week, Monday – Thursday

Peers Victoria is a multi-service, grassroots organization that has been working with sex workers for 25 years. Peers provides outreach and drop-in harm reduction and food security services, as well as wellness workshops, housing support, health support, and social justice leadership concerning sex workers rights, primarily in Victoria, the territory of the Esquimalt and Songhees Nations. We maintain a welcoming environment that prioritizes harm reduction and client-centered service delivery, drawing on social justice perspectives and sex worker leadership.

The aim of this position is to make essential services for sex workers safer, more accessible, and relevant to the needs of the trans, non-binary, and two-spirit (TN2S) community. TN2S people, especially trans women, are disproportionately represented in the sex trade. Further, both the TN2S community and sex workers are more likely to experience economic marginalization, unstable housing, unmet physical and mental healthcare needs, gender-based violence, harassment, and stigma. These same experiences also make it difficult to access service and support organizations. TN2S sex workers thus experience intersectional vulnerabilities and needs

Reporting to the Program Coordinator & Executive Director, the TN2S Inclusion & Outreach Worker is skilled in harm reduction perspectives & peer-based support, group facilitation, community consultation & survey design, communication & social media, workshop & training delivery, knowledge of community resources, and providing general support. The TN2S Inclusion & Outreach Worker must work collaboratively staff, program participants, and the TN2S sex worker community to deliver ethical, peer-based, responsive supports informed by our program participants' perspectives and preferences. The TN2S Inclusion and Outreach worker will have support from a part-time co-worker who has advanced knowledge and experience in delivering this program and will assist with group events and program directions and decisions.

Applicants must identify as transgender, non-binary, two-spirit, or another non-cisgender identity. Applicants who are BIPOC and/or have current or former experience in sex work will be given priority consideration

Specific duties for this position include:

- Plan & facilitate community consultations with TN2S sex workers to improve Peers Victoria's ability to provide relevant, safe, and community-guided services &

- policies;
- Prepare the findings from these consultations into training workshops for Peers staff & staff of other community organizations;
 - Liaise with other TN2S inclusion workers and initiatives in the Greater Victoria region on how to best support TN2S sex workers;
 - Share information about this initiative among local TN2S sex workers in a way that is respectful of privacy concerns;
 - Connect participants to other Peers programs and community resources to address support needs;
 - Provide participant-centered advocacy regarding the health and social support needs of TN2S sex workers who work in varying environments (indoors, outdoors, etc.);
 - Maintain a list of community contacts and service options, based on the identification of TN2S and sex worker friendly service providers;
 - Document basic statistics on all aspects of program delivery as required by funders;
 - Organize the meal for community consultations
 - Set up & clean up after community consultations;
 - Provide meals, harm reduction supplies, and emotional support on an outreach basis;
 - Participate in taking bad date and aggressor reports, updating & circulating Peers' bad date sheet;
 - Engage professionally and collaboratively with service participants colleagues, & partner agencies (via phone, via e-mail, & in person);
 - Adherence to Peers' organizational policies;
 - Submit financial and payroll expenses on required forms.

Desired Skills and Knowledge:

- Knowledge of diversity of local sex industry & ability to connect with target population;
- Experience facilitating group education;
- Experience with community organizing and consultation;
- Sex work positive and thorough knowledge of safer sex & substance use harm reduction models;
- Knowledge of local health & social service agencies;
- Excellent organizational & time-management skills;
- Approachable, non-judgmental, empathetic, & calm in conflict or crisis;
- Strong interpersonal skills & collaborative, team oriented service approach;
- Commitment to ethical service delivery including, but not limited to: confidentiality, conflict of interest & conflict resolution.
- Understanding of trauma informed care;

peers

VICTORIA RESOURCES SOCIETY
